

## Faith and Forks in the Road

Genesis 12.10 – 13.18

Intro: Faith involves \_\_\_\_\_.  
(Psalm 27.14; Psalm 119.9, 105; 2 Corinthians 5.7)

1. Land of \_\_\_\_\_ = \_\_\_\_\_. (Promise, Canaanites, & Famine)  
\_\_\_\_\_ (even severe) doesn't necessarily mean we're in the wrong place.

2. Land of \_\_\_\_\_ = \_\_\_\_\_ (Food, Wealth, Marital Strain, & Potential Death)

Surface application: \_\_\_\_\_ brings destruction & \_\_\_\_\_ matters.  
(Genesis 6.1-4; Matthew 5.28; 1 Timothy 2.9-10)

2a. Abram returns to his \_\_\_\_\_ and shows \_\_\_\_\_ in resolving conflict. (FAITH!)

3. Land of the \_\_\_\_\_ = \_\_\_\_\_ (water & Sodom)

### Considerations:

Are we walking by faith or by sight?

The promises of God far exceed the circumstances of this world! (Hebrews 13.5-6; John 16.33; John 14.3; 1 Corinthians 2)
