

## Stewarding God's Resources

### Genesis 40 – 41 (ESV)

Introduction: What do we do with the resources God gives us?

1. God entrusted Joseph with \_\_\_\_\_ . (Genesis 39)

Joseph did not \_\_\_\_\_ but worked \_\_\_\_\_  
for the Lord. (Colossians 3.17, 22 – 24; Philippians 2.12 – 16a)

2. God entrusted Joseph with \_\_\_\_\_ . (Genesis 40.5 – 41.32)

Joseph told God's \_\_\_\_\_ regardless of the outcomes.

3. God entrusted Joseph with \_\_\_\_\_ . (Genesis 41.33 – 56)

Joseph's stewardship over the \_\_\_\_\_ was the same as it was over the  
\_\_\_\_\_. (Matthew 25.14 – 30)

Application:

Joseph's stewardship mirrors Christ. It was \_\_\_\_\_.

Joseph's stewardship is a model for ours. We are stewards of the \_\_\_\_\_.  
(Matthew 28.18 – 20; 2 Timothy 4.5)

**\*\*Warning! Results of faithful stewardship may vary (on this earth)! \*\*** (Hebrews 11.35b – 37)
