A classic text for application is (Ephesians 5:17-18).

Give control to the Holy Spirit. Be filled with the Spirit.

There's One baptism by the Spirit for salvation, but we need to ask for many fillings to live and do the work of the Lord.

Ask for the HELPER, because when you're filled with the Holy Spirit:

- His help shows up in your marriage.
- His help shows up in your singleness.
- His help shows up in your occupation.
- His help shows up in how you spend your time.
- His help shows up in your social media, that many will see.

If you are born-again, just ask your heavenly Father for "help", in Jesus name.
