Application Questions:

1. Have you ever felt disqualified from serving God because of a past failure, a denial, or a major mistake? How does Jesus' reinstating Peter, who denied Him three times, change how you view your own past?

2. Where do you need Jesus to gently meet you and restore you in your relationship with Him to day?

3. What are some practical, everyday ways you can care for, nourish, or serve the people God has placed in your life right now?

4. In what ways do you feel called to serve others out of your love for Christ, just as Peter was called after his restoration?

5. Where are you currently getting distracted by comparing your spiritual journey, struggles, or success to someone else's?

6. How can you refocus on simply following Jesus in your own lane without worrying about what He is doing in another person's life?
